WEBS OF SAFETY AND CARE GRANT APPLICATION

A. TYPE OF GRANT

Webs of Safety and Care

The Webs of Safety and Care (WSC) grant is available to organisations and networks led by women and non-binary¹ human rights defenders and activists. WSC Grants seek to provide women, trans and non-binary human rights defenders with sustained access to resources for resilient movement infrastructure with collective care. This means the grant will seek to support holistic wellbeing, care and safety mechanism to deepen resilience, which would sustain lives, movements and long-term social change/ justice work.

D. SECURE COMMUNICATION CHANNELS

UAF A&P believes that the security and privacy of our applicants and grantees are central to our Enabling Defenders programme. A part of this is making sure that we use secure and encrypted channels of communication. Below are the ONLY modes and corresponding channels of communication that we recognize for the purpose of sharing applicants' information.

- For emails, ProtonMail <https://www.protonmail.com/signup>
- For messaging, Signal application <https://signal.org>

We highly recommend that you setup accounts on those channels and use them to communicate with us. It takes only 10 minutes to sign up. If you need help in setting up these secure accounts, please email our IT Support Facilitator, Esther at esther@uafanp.org.

¹ Non-binary is an umbrella term referring to individuals whose gender identity and/or gender expression are not exclusively masculine or feminine, male or female — thus, are outside of the gender binary and cisnormativity. UAF A&P uses this term to encompass androgyny, polygender, genderqueer, gender fluid and a-gender individuals.

² Cisgender Males are individuals who identify as male and who were assigned male at birth
